group is known as M-O-M-S, MOMS, meaning Moms on the Move for Success. I was especially impressed with the remarks that she made in the essay that she wrote when entering this competition. She said that she focused on two things while fulfilling her role as a young mother, number one, faith that I am trying to teach my children a faith that will carry them as they get older and when they no longer have me, and, secondly, the loving relationship that I have worked out with my husband, Jim. I am pleased to present Lupe Hickey, Nebraska's Young Mother of the Year. Lupe.

LUPE HICKEY: Mr. President, Speaker of the House and Honorable Senators, thank you very much for this honor that is being paid to me today. PRESIDENT: I am sure that all members of the Legislature join with me in wishing you great congratulations Mrs. Campbell and Mrs. Hickey.
